Greetings from Grace Arms of Antioch,

Grace Arms of Antioch, a Non-profit organization, was formed to help educate, eradicate, empower, and equip the city of Antioch and East Contra Costa County residents battling homelessness, poverty, and dysfunction. Our organization offers several need-based programs to the community, such as Grace Closet, which supplies free food and clothing, Grace Afterschool Tutoring Program, Grace House, a sober living environment for those needing transitional housing; as well as Overcomers, an addiction program, Legal Aid Assistance, Sports programs, Thanksgiving Basket Giveaway, Christmas Breakfast/Gift Giveaway, and our annual **Holy Eve Community Carnival (HECC)** (See attached Flyer for details).

HECC is held annually and has grown to see over 2000 persons in attendance. So many in our community look forward to bringing their families out to this safe, fun, and exciting event. The families receive FREE food, games, carnival rides, a mini-concert, and prizes. Historically, many communities' civic leaders, businesses, diverse faith-based non-profits, and individuals like you have assisted HECC to provide this marvelous, monumental event for OUR community. We have partnered with and will advertise on various social media outlets, Radio, Public Announcements, Print Ads, Billboards, door-to-door campaigns, and other various Bay Area venues.

We are reaching out to give you an opportunity to partner with us in the 2021 season by asking for your financial support. I'm sure you'd agree that for the last 20 months, Covid-19 has been life-changing for everyone. Will you be willing to assist us and be counted in the number of those who have a heart for helping our community? No assistance is too small, and there are various avenues to assist (monetarily, products, services, and your time). Please find below the avenues for donations. **YOUR DONATION IS TAX-DEDUCTIBLE (Tax Exempt ID #81-2294177)**
